**Dangerous Speech: How Attacking Other Groups Becomes Attractive**

## Kristallnacht Commemorative Program

Join us for an annual commemoration event, as we remember Kristallnacht, a turning point in history marked by violence against Jews. Our keynote speaker, Dr. Susan Benesch, a leading expert in combating dangerous speech, will shed light on "Dangerous Speech: How Attacking Other Groups Becomes Attractive."

Dr. Benesch's invaluable work in preventing harmful speech online and her insightful perspectives on preserving freedom of expression make this event a must-attend.
